

## GROUP EOLIS Advantages

As a result of our continuous efforts in making the management of our services easier for our policyholders, we are proud to inform you that as of January 2008 we have launched the new GROUP EOLIS for Latin America.

We have improved and added functions in order to allow a more agile and trustworthy administration of covered risks offering our policyholders and brokers the possibility of complete management of the risks from our on-line platform.

We are convinced of the advantages and benefits of GROUP EOLIS, offering the high quality service of our credit insurance worldwide.
